Re: 104(e) Request for Information – Yosemite Creek Superfund Site  
Real Property located at 1095 Shafter Ave., San Francisco, CA 94124

Dear Mr. Dutta,

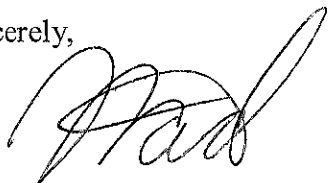

Robert England on behalf of Beverly A. England Trust recently engaged TENAX Law Group, P.C. in connection with responding to EPA's 104(e) Request for Information ("Request").

Mr. England received this Request on January 15, 2013, and therefore his response is due on February 14, 2013. We are writing to request a thirty (30) day extension to respond to this Request. Mr. England's new response deadline would be March 16, 2013.

Please advise if you grant this extension.

Thank you for your prompt attention to this matter.

Sincerely,

Sabina Sadykhova, Esq.
